Terms Of Business

The Payment Terms and Conditions stated below are for bespoke funerals. Other funeral options offered by us may have varying payment terms. Please go to our Funeral Costs section on our website to see all funeral options and their payment terms. Alternatively, if visiting our premises, ask for our full price list.

If you are considering making a Funeral Support Payment (FSP) claim, you must inform your funeral arranger or funeral director at the time of the funeral arrangement. The FSP payment will not cover all funeral costs.

Deposits

For bespoke funerals, we require a minimum deposit of £1,250 to be paid within 3 working days of the confirmation of the funeral arrangements but we reserve the right to ask for a larger deposit or full payment, depending on the type of funeral or services you have requested.

Solicitors

If a solicitor is settling the funeral invoice, there is no need for a deposit. However, we must receive written confirmation from the solicitor that they accept responsibility for the payment of our funeral invoice and confirmation there is enough funds to cover all the funeral costs. We must receive confirmation from your solicitor within 2 working days of the funeral arrangement. Our Payment Terms and Conditions must also be signed by the client. If the solicitor is not in funds to pay the invoice within the agreed payment terms time frame the funeral invoice will revert to the client for immediate payment. Extension of the agreed payment terms will be considered if the request is in writing to the Managing Director of Porteous Funeral Directors stating the reason why you or your solicitor require the extension.

Payment

The funeral invoice will normally be sent 5-7 days after the funeral and is due within 21 days of the funeral date unless otherwise agreed by us in writing. Finance facilities are available, ask for details.

Saving

A deduction of £150 can be taken off the funeral directors' fees, if paying the funeral account in full in advance of the funeral. Ask for details.

Interest

If the invoice remains unpaid beyond the due date, we reserve the right to charge a late payment penalty of £75. We also reserve the right to charge interest on the overdue payment at the rate of 4% per annum, above the base lending rate of The Bank of England. The interest shall accrue on a daily basis from the due date until the date of actual payment of the overdue amount. We reserve the right to recover all legal and debt collection agency fees if you breach these terms of payment.
